NCERT Textbooks play the most vital role in developing student's understanding and knowledge about a subject

and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class XI following the NCERT Textbook for Physics. The present book has been divided into 15 Chapters namely Physical World, Motion in a Plane, Laws of Motion, Work, Energy & Power, Gravitation, Thermodynamics, Kinetic Theory, Oscillations, Waves, Motion in a Straight Line, Thermal Properties of Matter, Mechanical Properties of Solids, etc covering the syllabi of Physics for Class XI. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Physics textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class XI Physics Examination. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Physics for Class XI and contains simplified text material in the form of class room notes and answers to all the questions in lucid language, it for sure will help the Class XI students in an effective way for Physics.

When she was very young, Baby Halder was abandoned by her mother and left with a cruel, abusive father. She was married off at twelve to a man twice her age who beat her. At fourteen, she was a mother herself. Her early life was marked by overwhelming challenges and heartbreak until, exhausted and desperate, she fled with her three children to Delhi, to work as a maid in some of the city's wealthiest homes. Expected to serve her employers' every demand, she faced a staggering workload that often left her no time to care for her own children. But she never complained, for such is the lot of the poor in modern-day India. Written without a trace of self-pity, A Life Less Ordinary is a shocking look deep inside a world of poverty and subjugation that few outsiders know about—and an inspiring true story of one remarkable woman's strength, courage, and determination to soar above her circumstances.

Part A provides detailed solutions (Question-by-Question) of all the questions/exercises provided in the NCERT Textbook. Part B provides solutions to the questions in the NCERT Exemplar book. Part C provides selected Practice Questions useful for the Class 11 examination along with detailed solutions. The solutions have been designed in such a manner (Step-by-Step) that it would bring 100% Concept Clarity for the student.

'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh's remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008. 'Khushwant's stories enthrall...[He has] an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today 'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India 'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle 'He is not an ordinary short story writer...[Collected Stories] is delightful reading'—Hindustan Times

Disha's BESTSELLER "23 Years CSAT General Studies IAS Prelims & Mains Topic-wise Solved Papers (1995-2017)" consists of past years solved papers of the General Studies Paper 1 & 2 distributed into 8 Units and 52 Topics. India is making all possible efforts for mass education and equalization of educational opportunities for its people. But the task of providing adequate educational facilities for its vast population proves to be too heavy a burden for the government. Private schools, therefore, have made a niche in the country. This book makes a comparative study of government and private high schools in Mizoram regarding different aspects—infrastructural facilities, teachers, qualifications, training, workload, salary and other benefits, scholastic as well as co-curricular activities, academic achievements, and parents' expenditure on their children's education. The study of socio-economic status of parents and their preferences for schools also make part of the book.

NCERT Textbooks play the most vital role in developing student ' s understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

NCERT Textbooks play the most vital role in developing student ' s understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class XI following the NCERT Textbook for Accountancy.

The present book has been divided into two parts containing 16 Chapters covering the syllabi of Accountancy for Class XI. Part A covers Theory Base of Accounting, Recording of Transactions-I, Recording of Transactions-II, Bill of Exchange, Bank Reconciliation Statement, etc whereas Part B covers Financial Statements-I, Accounts from Incomplete Records, Applications of Computers in Accounting, Computerized Accounting System, etc. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class XI Accountancy Examination. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Accountancy for Class XI and contains simplified text material in the form of class room notes and answers to all the questions in lucid language, it for sure will help the Class XI students in an effective way for Accountancy.
