"The Spanish Craze: America's Fascination with the Hispanic World, 1779-1939 examines the centuries-long fascination with the history, art, culture, and architecture of Spain in the United States from the Early Republic to the New Deal" --

In 1810 John Jacob Astor sent two expeditions to the mouth of the Columbia River to establish a far

flung trade empire based on furs. Three years later his plans were in ruins and his headquarters at Astoria with its huge stock of valuable pelts were in the hands of the British and sold at a great loss to the North West Company. This daring venture was the real opening of the west. An important saga of the Western Fur Trade. John Jacob Astor, supplied Irving with many of the journals and other materials which he used in writing this history.

It's no secret that in today's complex world, students face unparalleled demands

as they prepare for college, careers, and active citizenship. However, those demands won't be met without a fundamental shift from traditional, teacher-centered instruction toward innovative, student-centered teaching and learning. For schools ready to make such a shift, project-based learning (PBL) offers a proven framework to help students be better equipped to tackle future challenges. Project Based Teachers encourage active questioning, curiosity, and peer learning; create learning environments in which

---

every student has a voice; and have a mastery of content but are also comfortable responding to students' questions by saying, "I don't know. Let's find out together." In this book, Suzie Boss and John Larmer build on the framework for Gold Standard PBL originally presented in *Setting the Standard for Project Based Learning* and explore the seven practices integral to Project Based Teaching: Build the Culture Design and Plan Align to Standards Manage Activities Assess Student Learning Scaffold Student Learning Engage and Coach For each practice, the authors present a wide range of practical strategies and include teachers' reflections about and suggestions from their classroom experiences. This book and a related series of free videos provide a detailed look at what's happening in PBL classrooms from the perspective of the Project Based Teacher. Let's find out together.

The creator of the cult-favorite comic book *Get Your War On* shares a collection of zany cartoons and strips that captures the energy and outrageous characters of today's Web culture. Original. Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces

were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

When Sarah Worley rejects Luke McNeil's proposal to pursue property in the Oklahoma Territory land lottery in 1901, the ranch hand pulls up stakes and goes after her. But he's the last person she wants to see. The land lottery gives Sarah the chance to realize her dream of independence and a home of her own. But with it comes challenges she never considered. When her dream becomes a nightmare, she must decide whether to stay on her land or give up and return to the life she left. Luke hopes that by winning a claim, he can give Sarah the home she's always wanted. How can he prove his love and show the stubborn

woman that he's the right man for her?

Life in uptown Dallas is exciting enough already for small-town girl Megan. But when Mike walks into the restaurant where she works, things are going to crank up a notch.

One of Time 's 100 most influential people " shines a new light on the need for a holistic approach to caregiving in America . . .

Timely and hopeful " (Maria Shriver). In *The Age of Dignity*, thought leader and activist Ai-jen Poo offers a wake-up call about the statistical reality that will affect us all: Fourteen percent of our population is now over sixty-five; by 2030 that ratio will be

one in five. In fact, our fastest-growing demographic is the eighty-five-plus age group—over five million people now, a number that is expected to more than double in the next twenty years. This change presents us with a new challenge: how we care for and support quality of life for the unprecedented numbers of older Americans who will need it. Despite these daunting numbers, Poo has written a profoundly hopeful book, giving us a glimpse into the stories and often hidden experiences of the people—family caregivers, older people, and home care workers—whose lives will be directly shaped and reshaped in this moment of demographic change. *The Age of Dignity* outlines a road map for how we can become a more caring nation, providing solutions for fixing our fraying safety net while also increasing opportunities for women, immigrants, and the unemployed in our workforce. As Poo has said, " Care is the strategy and the solution toward a better future for all of us. " " Every American should read this slender book. With luck, it will be the future for all of us. " —Gloria Steinem " Positive and inclusive. " —The New York Times " A big-hearted book

[that] seeks to transform our dismal view of aging and caregiving. " —Ms. magazine Seedlings of William Foster Lewis & Clark Journals Unsolved Crimes Following the Santa Fe Trail Or Anecdotes of an Enterprise Beyond the Rocky Mountains Jackson and Gwinnett Counties and Their Neighbors in the Western Migration Discusses such well-known unsolved crimes as the identity of Jack the Ripper, JFK's killer, and the murderer of JonBenet Ramsey. Historic pioneer trails serve as some of the most fascinating links to our nation's past and retracing them can be an exhilarating and educational

experience. "Following the Santa Fe Trail is aimed at assisting modern travelers to enlarge their understanding of the trail and increase the enjoyment that comes from following in the wagon tracks of pioneers. Originating in Franklin, Missouri, the Santa Fe Trail was the first and most exotic of America's great trans-Mississippi pathways to the west. Although the era of the trail ceased, its glory-days are still part of the collective imagination of America. Complete with directions, maps, anecdotes, and historical information, "Following the Santa Fe Trail takes the traveler on an authentic historic journey. Modern paved highways now parallel much of the old wagon route

and with this guide a modern adventurer can retrace large sections of the trail. Since Following the Santa Fe Trail first appeared in 1984, the trail was designated a National Historic Trail under the National Park Service and public interest has mushroomed. This completely revised third edition now updates all directions and clarifies the changes that have taken place in the last 15 years. The Spanish Craze Discrete and Integrated Electronic Circuits Temptation in Texas: Mike and Megan Astoria A Biographical Dictionary Bring the spark back into your bedroom and your relationship with gutsy and effective advice from bestselling author Michele Weiner Davis. It is estimated that one of every three married couples struggles with problems associated with mismatched

sexual desire. Do you? If you want to stop fighting about sex and revitalize your intimate connection with your spouse, then you need this book. In *The Sex-Starved Marriage*, bestselling author Michele Weiner Davis will help you understand why being complacent or bitter about how sex might cost you your relationship. Full of moving firsthand accounts from couples who have struggled with the erosion of sexual desire and rebuilt their passionate connection, *The Sex-Starved Marriage* addresses every aspect of the sexual libido problem: If you're the more highly sexed partner, you'll breathe a sigh of relief. At last someone understands your feelings about the void in your marriage. Discover why your pleas for touch have fallen upon deaf ears and why your approach to the lull in your sexual relationship could be a sexual turnoff. Most important, learn new ways to motivate your spouse to take your needs for more physical closeness to heart. If you're the spouse with a lagging libido, you're far from alone. You'll learn about the physiological and psychological factors, including unresolved relationship issues, that may contribute to the chill in your bedroom and what you can do to melt the ice. And if you're a man, you'll be surprised to learn that staggering numbers of men, even men whose sexual machinery works just fine, "get headaches" too! *The Sex-Starved Marriage* will give

you and your spouse the inspiration, encouragement, and answers you need. William Hobson was born about 1651 in England. He married Elizabeth (surname unknown) about 1679 in Henrico County, Virginia. They had 8 children. William's will was proven 1 Sep 1733 in Henrico County. No mention is made of Elizabeth. Their descendants have lived in Virginia, Georgia, Alabama, Texas, and other areas throughout the United States. The siblings, Samuel (b. 1783), James (b. 1787) and Martha (b. 1798) Perkins, are found first in Anson County, North Carolina in the early 1800s. Their ancestors probably immigrated to the Carolinas during colonial times. By 1815 the three families were in Tennessee. Descendants are in Mississippi and Texas. Descendants of Samuel, James, and Martha Perkins *History of Chester County, Pennsylvania List of Ex-soldiers, Sailors and Marines, Living in Iowa Coeducation at Andover Virginia Revolutionary Pension Applications My New Fighting Technique is Unstoppable* "The foundation for this work is the Muster of Jan 1624/25 which had never before been printed in full."--Page xiii, volume 1. Twenty-one-year-old Elaina Ruiz has only just begun college when she meets Raul Vega for the

first time. Recognizing his ruthless intensity for what it is, she doesn't correct him when he assumes she is an eighteen-year-old freshman. Raul Vega has never met a woman he couldn't do without. Until he meets Elaina Ruiz and knows she has to belong to him--even if it means waiting for her to grow up. Containing biographical sketches of approximately 270 Native American women, this book shows the many important roles they occupy in both contemporary and traditional culture. Arranged alphabetically, entries describe the contributions of Native women in fields like law, medicine, art, and education. Appendixes list entries by areas of specialization, decades of birth, state or province, and tribal affiliation. A selected bibliography is also included. *Boosting Your Marriage Libido: A Couple's Guide Warning Miracle Embden Town of Yore Hopson, a Genealogy Song Reader Hollywood Highbrow Expand your Latin vocabulary while having fun! Broaden your*

knowledge of Latin and discover those English words rooted in Latin using Easy Latin Crossword Puzzles. This book uses the ingenious Quid Pro Quo method--exchanging English clues for Latin words (and, for the last four puzzles, vice versa). An answer key is included. The earliest known Neblett/Niblett to arrive in America from England was John Niblett (1640-1678). He was born in Gloucestershire and immigrated to Virginia by 1664. John married Mary Washbourne and became the father of James Niblett (1674-1743) who was the father of three sons. His many descendants live throughout the United States.

(Sesame Street) by Naomi Kleinberg, Potty by Leslie Patricelli, The Potty Train by David Hochman

and Ruth Kennison. The Sex-Starved Marriage A Portrait of a School Gholson and Allied Families / Edited by Margaret Ann Scruggs (Mrs. Carruth) Gone to Georgia The Ultimate Guide to Creating Perfection Between Two Slices of Bread Native American Women Jeff Chen is a top crossword setter for the New York Times, and he has turned his hand again to bridge-themed puzzles. An impassioned call for a return to reading poetry and an incisive argument for poetry's accessibility to all readers, by critically acclaimed poet Matthew Zapruder In Why Poetry, award-winning poet Matthew Zapruder takes on what it is that poetry—and poetry alone—can do. Zapruder argues that the way we have been taught to read poetry is the very thing that prevents us from enjoying it. In lively, lilting prose, he shows us how that misunderstanding interferes with our direct experience of poetry and creates the sense of confusion or inadequacy that many of us feel when faced with it. Zapruder explores what poems are, and how we can read them, so that we can, as Whitman wrote, "possess the origin of all poems," without the aid of any teacher or expert. Most important, he asks how reading poetry can help us to

lead our lives with greater meaning and purpose. Anchored in poetic analysis and steered through Zapruder's personal experience of coming to the form, Why Poetry is engaging and conversational, even as it makes a passionate argument for the necessity of poetry in an age when information is constantly being mistaken for knowledge. While he provides a simple reading method for approaching poems and illuminates concepts like associative movement, metaphor, and negative capability, Zapruder explicitly confronts the obstacles that readers face when they encounter poetry to show us that poetry can be read, and enjoyed, by anyone. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
