With unique visual guides and models, and Lester Faigley 's clear, accessible explanations, The Brief Penguin Handbook has established itself as the best-selling handbook to enter the market in eighteen years. This all-in-one handbook features excellent coverage of writing for

different purposes, design and presentation, research and documentation, grammar and style, and writing for ESL students making it the ultimate resource for students.

In The Penguin Handbook, Brief Edition, Faigley rethinks the way handbooks present information and ideas with a reference that's tailored for today's visually and technologically oriented students.

The design and approach of The Brief Penguin Handbook started with ideas and suggestions from real students, and thus it is uniquely successful when it comes to giving students the information they need in a format they will actually use. This

handbook continues to innovate in its design as well as its content to make handbook topics accessible.
