In political and sociological theory, the elite (French *élite*, from Latin *eligere*, to select or to sort out) are a small group of powerful people who hold a disproportionate amount of wealth, privilege, political power, or skill in a society. Defined by the Cambridge Dictionary, the "elite" are "those people or organizations that are considered the best or most powerful compared to others of a similar type."

There is only one way to stop the woke takeover of Britain ...

In America's rowdy, centrifugal political system, the non-elite find a way of gate-crashing every few years. The system was designed, and with successive expansions of the franchise and other democratic reforms re designed, to give the modestly educated man—and eventually woman—a measure of influence over decisions made in the capital.
