In comics, a trade paperback (shortened: TPB or trade) is a collection of stories originally published in comic books, reprinted in book format, usually presenting either a complete miniseries, a story arc from a single title, or a series of stories with an arc or common theme. A trade paperback may reproduce the stories either at the same size in which they were originally presented (in comic book format), in a smaller "digest-sized" format, or a larger-than-original hardcover.

Trade paperback (comics) - Wikipedia

A trade paperback is a collection of comic book material which has been published in other formats previously and bound into one book. The comics that are collected were first released as a floppy comic issue or digitally and will usually include on average four to six issues of a series.

What's The Difference Between Graphic Novels and Trade ...

A Trade Paperback (TPB) is a collection of comic stories that are related usually a continuous story arc but also can include character, team or event. Hardcovers (HC) are the same format except with a more rigid protective cover so are included in the list.

Trade Paperback - Marvel Comics Database

Trade Paperbacks are a great part of the comic book hobby as they provide collected issues into a single book. This allows for reading whole story arcs at one time and is cheaper than buying individual issues.

Best Comic Book Trade Paperbacks - April 10, 2020 ...

In comics, a trade paperback (often shortened to trade) is a collection of stories originally published in comic books, reprinted in book format, usually capturing one story arc from a single title or a series of stories with a connected story arc or common theme. Traditionally, a trade paperback will reproduce the stories at the same size as they were originally presented in comic book format.
