"... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called "zones," with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD."--Publisher's website.

This classic and heartwarming picture book was written and illustrated by the celebrated Vera B. Williams and was named a Caldecott Honor Book by the American Library Association. "A tender knockout. It's rare to find much vitality, spontaneity, and depth of feeling in such a simple, young book."—Kirkus Reviews Vera Williams tells of a young girl who, along with her waitress mother, saves coins in a big jar in hopes that they can someday buy a new chair for their apartment, the kind of chair her mother deserves after being on her feet all day in the Blue Tile Diner. Into the jar also goes the money Grandma saves whenever she gets a bargain at the market. There hasn't been a comfortable place to sit in the apartment since a fire in their previous apartment burned everything to "charcoal and ashes." Friends and neighbors brought furniture to their new apartment downstairs, but no one brought anything big or soft or comfortable. Finally the jar is full, the coins are rolled, and in the book's crowning moment, mother, daughter, and Grandma search four different furniture stores, and after carefully trying several chairs, like Goldilocks, they find the chair they've been dreaming of at last. Vera Williams enhances this story about family, community, and the power of working together toward a

common goal with her signature folk art-inspired paintings. A Chair for My Mother has sold more than a million copies and is an ideal choice for reading and sharing at home and in the classroom. "A superbly conceived picture book expressing the joyful spirit of a loving family."—The Horn Book Vera B. Williams's beloved picture book favorites include: "More More More," Said the Baby Amber Was Brave, Essie Was Smart A Chair for Always A Chair for My Mother Cherries and Cherry Pits Music, Music for Everyone Something Special for Me Stringbean's Trip to the Shining Sea Three Days on a River in a Red Canoe Vocabulary in Use Pre-intermediate and Intermediate is a vocabulary book for intermediate learners of English, primarily designed as a self-study reference and practice book, but which can also be used for classroom work. Set in Canada and the battlefields of France and Belgium, Three-Day Road is a mesmerizing novel told through the eyes of Niska—a Canadian Oji-Cree woman living off the land who is the last of a line of healers and diviners—and her nephew Xavier. At the urging of his friend Elijah, a Cree boy raised in reserve schools, Xavier joins the war effort. Shipped off to Europe when they are nineteen, the boys are marginalized from the Canadian soldiers not only by their native appearance but also by the fine marksmanship that years of hunting in the bush has taught them. Both become snipers renowned for their uncanny accuracy. But while Xavier struggles to understand the purpose of the war and to come to terms with his conscience for the many lives he has ended, Elijah becomes obsessed with killing, taking great risks to become the most accomplished sniper in the army. Eventually the harrowing and bloody truth of war takes its toll on the two friends in different, profound ways. Intertwined with this account is the story of Niska, who herself has borne witness to a lifetime of death—the death of her people. In part inspired by the legend of

Francis Pegahmagabow, the great Indian sniper of World War I, Three-Day Road is an impeccably researched and beautifully written story that offers a searing reminder about the cost of war.
