Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no trace evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher

expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

#1 NEW YORK TIMES BESTSELLER • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher—and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance

between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zolof. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses—and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for Personal “The best one yet.”—Stephen King “Reacher is the stuff of myth, a great male fantasy. . . . One of this century's most original, tantalizing pop-fiction heroes . . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense.”—The Washington Post “Yet another satisfying page-turner.”—Entertainment Weekly “Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it's Reacher the Teacher who wows here.”—Marilyn Stasio, The New York Times

#1 NEW YORK TIMES BESTSELLER • Jack Reacher comes to the aid of an elderly couple . . . and confronts his most dangerous opponents yet. “Jack Reacher is today's James Bond, a thriller hero we can't get enough of.”—Ken Follett “This is a random universe,” Reacher says. “Once in a blue moon things turn out just right.” This isn't one of those times. Reacher is on a Greyhound bus, minding his own business, with no particular place to go, and all the time in the world to get there. Then he steps off the bus to help an old man who is obviously just a victim waiting to happen. But you know what they say about good deeds. Now Reacher wants to make it right. An elderly couple have made a few well-meaning mistakes, and now they owe big money to some very bad people. One brazen move leads to another, and suddenly Reacher finds himself a wanted man in the middle

of a brutal turf war between rival Ukrainian and Albanian gangs. Reacher has to stay one step ahead of the loan sharks, the thugs, and the assassins. He teams up with a fed-up waitress who knows a little more than she's letting on, and sets out to take down the powerful and make the greedy pay. It's a long shot. The odds are against him. But Reacher believes in a certain kind of justice . . . the kind that comes along once in a blue moon. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD

"Now an original series on Prime Video" -- Cover. FBI Special Agents Kim Otto and Carlos Gaspar need the help of rogue ex-military man Jack Reacher, now a wanted man. But is he their friend or foe? It's been a while since we first met Lee Child's Jack Reacher in *Killing Floor*. Fifteen years and twenty-one novels later, Reacher still lives off the grid, until trouble finds him, and then he does whatever it takes, much to the delight of readers and the dismay of villains. Now someone big is looking for him. Who? And why? *Hunting Jack Reacher* is a dangerous business, as FBI Special Agents Kim Otto and Carlos Gaspar are about to find out. Otto and Gaspar are by-the-book hunters who know when to break the rules—but Reacher is a stone-cold killer and a wanted man. But whose side is he on? Only secrets hidden in Margrave, Georgia, will tell them.

"Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the

investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. Global Media Studies explores the theoretical and methodological threats that are defining global media studies as a discipline. Emphasizing the connection of globalisation to local culture, this collection considers the diversity of modes of reception, reception contexts, uses of media content, and the performative and creative relationships that audiences develop with and through the media. Through ethnographic case studies from Brazil, Denmark, the UK, Japan, Lebanon, Mexico, South Africa, Turkey and the United States, the contributors address such questions as: what links media consumption to a lived global culture; what role cultural tradition plays globally in confronting transnational power; how global elements of mediated messages acquire class; and regional and local characteristics.

#1 NEW YORK TIMES BESTSELLER • Lee Child returns with a gripping new powerhouse thriller featuring Jack Reacher, “one of this century’s most original, tantalizing pop-fiction heroes” (The Washington Post). BONUS: Includes a sneak peek of Lee Child’s new novel, Past Tense.
Reacher takes a stroll through a small Wisconsin town and sees a class ring in a pawn shop window: West Point 2005. A tough year to graduate: Iraq, then Afghanistan. The ring is tiny, for a woman, and it has her initials engraved on the inside. Reacher wonders what unlucky circumstance made her give up something she earned over four hard years. He decides to find out. And find the woman. And return her ring. Why not? So begins a harrowing journey that takes Reacher through the upper Midwest, from a lowlife bar on the sad side of small town to a dirt-blown crossroads in the

middle of nowhere, encountering bikers, cops, crooks, muscle, and a missing persons PI who wears a suit and a tie in the Wyoming wilderness. The deeper Reacher digs, and the more he learns, the more dangerous the terrain becomes. Turns out the ring was just a small link in a far darker chain. Powerful forces are guarding a vast criminal enterprise. Some lines should never be crossed. But then, neither should Reacher. Praise for *The Midnight Line* “Puts Reacher just where we want him.”—*The New York Times Book Review* “A gem.”—*Chicago Tribune* “A timely, suspenseful, morally complex thriller, one of the best I’ve read this year . . . Child’s outrage over it is only just barely contained.”—*The Philadelphia Inquirer* “A perfect example of Lee Child’s talent . . . Lee Child is the master of plotting. . . . This is Child’s most emotional book to date. . . . This is not just a good story; it is a story with a purpose and a message.”—*Huffington Post* “I just read the new Jack Reacher novel by Lee Child. . . . It is as good as they always are. I read every single one.”—Malcolm Gladwell
